Displaying the Permit

The customer is responsible for ensuring a valid parking permit is clearly displayed at ALL times on the front windscreen on the passenger side, so that details are clearly visible from the front of the vehicle.

All permits must be valid to date, photocopies are NOT acceptable, and the original permit sent to you must be on display. Failure to display a valid permit will result in a parking charge notice.

When on the car park the driver and vehicle are additionally subject to the General Car Park Terms & Conditions as displayed.

A valid permit allows the permit holder to park only in the car park(s) that the permit was issued for. A permit is not valid for all RCP Parking Ltd car parks. Parking in a car park with a permit for a different car park, and not displaying a valid ticket, will result in a parking charge notice.

Payment for Contract Parking

Permits will not be issued until payment has been received in full.

Lost or Damaged Permits

Lost or damaged permits will be replaced at an administration charge of £15.00 plus VAT per permit and your old permit cancelled.

Cancellation of Contract Parking by Customer ["You"]

A permit cannot be cancelled at any time during the yearly contract. No refunds will be issued if you decide not to use your permit. You may cancel your permit at the end of the yearly contract (31st March) by giving notice to do so in writing or by email on or before the preceding 28th February.

Space allocation

A valid permit does not provide a reserved space.

Other Conditions

Changes to car details must be notified in writing or by email to RCP Parking Ltd.

Only one car listed on the application form may be parked at a time.

Any alteration to the permit will render it invalid and will result in a parking charge notice being issued and may lead to RCP Parking Ltd taking action against the vehicle owner for fraud.

The parking of vehicles more than 2.00 metres high, 1.83 metres wide or 4.8 metres long requires the prior consent of RCP Parking Ltd.

Breach of RCP Parking Ltd Terms and Conditions of Contract Parking may result in one or more of the following actions being taken by RCP Parking Ltd:

- Issue of a warning detailing the nature of the breach
- Issue of a parking charge notice
- Withdrawal of parking facilities
- Legal action to recover outstanding monies plus costs and interest
